CLASS PROPHECY

Place: Reynoldsville
Time: 1971

Dear Nancy,

Having just returned to our old home town, I thought I would write to you and bring you up to date on how our old school-mates are faring in this atomic age.

Driving into town through Prescottville, my Cadillac developed a knock, so I stopped at the "M & M Service Station." I was met by the smiling proprietors, Bill McGranor and Cloyd Marshall. While I was waiting for my car I dropped in to Donna Fox's Diner which is next door. I asked Donna about her sisters and she told me Dora is married and lives on a huge chicken farm in Kansas. Doris is private secretary to the Secretary of State, Betty Lou Armagost. Donna's head waitress is Ethel Burkhouse.

When I left the Service Station, I tuned in my Caravision set and listened to the melodious music of Gordon Schuckers and his Wishaw Wildcats. His vocalists are Martin Nairn and Barbara Kunselman, who is, incidentally, his wife too.

I stopped at the High School and spent

some time talking to Principal Kirk. I also held a conversation with the art teacher, Alice Marshall. As I left, I collided violently with the janitor, Burton Adamson. I was ceremoniously picked up off the floor by Coach Jim Spears and Assistant Coach Helen Sfakianos.

Leaving my car at the schoolhouse, I strolled leisurely down town. On the way I passed Undertaker Bill DeHart cleaning out his hearse. As I started to cross the street, a lumber truck roared through the red light. Seated in it were Dan Dickey and Ed Tyger. Painted on its side was a sign informing me that they own their own lumber company. Chief of Police Ellenberger stood on the corner and shook his head sadly.

After stopping to speak to Librarian Doris Brochey (her husband is teaching French at the High School), I sauntered past Don Liedl's Pool Room. Leaning on the counter were Burgess Terry Hook and Councilman Chuck Moore.

I walked into Wells' Pharmacy and glanced at the newsrack. Glaring at me from the headlines I saw: "Dr. Ross, Renowned Scientist, Discovers Miracle Drug." Further down the page there was a notice that Carmen Campanini, the noted dietitian, would give a lecture that afternoon. Turning to Personals, I saw where Joy Wiles and her husband are residing in Hawaii. I also noted that Bud Waite is now head coach at Harvard. Generals Bowlby and Kelly are home on a short leave before returning to duty. I read the editorial which

was so interesting I inquired of soda-jerk Dave Pierce who the editor is. He informed me it is Tom Moore. His able assistant is Gerry Coates.

As I walked down the street my attention was caught by a tent in the vacant lot next to the "Helen and Alma Beauty Salon." I walked over and peered in. Inside a revivalist meeting was being held. The revivalist? Why, Lee Lingenfelter, of course, ably assisted by his wife and three sons.

I was stopped by Barbie Sayers who is happily married to Ronald Hetrick, owner of the Ford Garage. She told me that the airport is now being operated by Stanley, Mancuso, and Vetro, the world famous pilots.

I took a Douthitt taxicab back uptown and stopped at the Tost Theater where Gertrude Smith is playing in "So This is Love." The cashier, Helen Himes told me that Frances Torrell, Grace Strouse, and Josephine Krajewski have started their own secretarial agency in New York city. Did you know that Father Fran Colwell has become a bishop?

I went into the bank to cash a check and was met by its President Russell Quinn. I went to the cashier's window and Bernard Sprankle greeted me. The teller is Anna Reed.

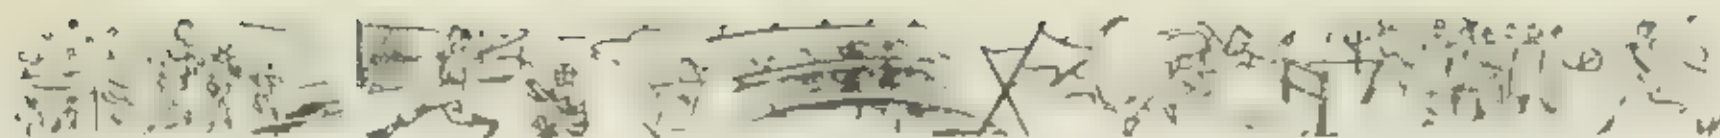

As I walked out the door, I met Lousie Irvin and Doris Miller. They have both just come back on furlough from the Wacs. Both are lieutenants now.

I was so happy about meeting all these old friends that I wasn't very careful. Coming to the corner of Fifth and Main Streets, I saw what seemed to be a blue streak, and then everything went blank! When I awoke, I was on a stretcher, being carried by Bob Marshall and Vincent Fusco into an ambulance driven by Bill Liedl. After being checked into my hospital room by Margie Day, hospital secretary, my vision started failing, just as Doctor LaRue Tyger and her most efficient nurses, Persephone Sfakianos and Barbara Deemer, walked into the room. They were busily taking my temperature and pulse when Attorney Joe Stefanelli, President of the Civic Music Association appeared with his secretary, Carolyn Bergquist. Along with them was Dan Bowers, who was the same as ever except for a prominent black eye, which I learned later was received in a wreck. Then everything became clear to me. Dan had been in the blue car which had crashed into me. I am to be discharged in three weeks and after that I will join my husband for our long-delayed trip to Europe in the Government Service.

Here's wishing you luck in managing the new store you and your husband have added to your already large chain. I hear you are doing very well as manager of the New York Branch.

Love,
Marty

1950-1951 SEASON IN REVIEW

The RHS Bulldogs scored their first opening victory in eight years. Spectacular playing by Joe Stanley, who scored four times, and Jack Mancuso sparked the team to a 32-19 victory. This was Reynoldsville's first home game in the lights.

The following game was a disappointing scoreless tie with Redbank Valley. Vicious line play and a slippery ball dominated the game. Twice in the last half the Black and Gold attack stalled close to the 10 yard line.

The Bulldogs had to strike back for 2 touchdowns in the final quarter to overcome a scrappy Morris Twp. team 13-6. A great aerial display which found Dick Williams passing to Gary Moore for large gains and both touchdowns, culminated an exciting game.

The undefeated Bulldogs, this far, broke an eleven year jinx by defeating Sykesville 20-0. Inspired line play and superb ball totting by every backfield man on the squad was the reason for this upset. Stanley scored twice and set up another which was a pass from Dick Williams to Gary Moore.

Clarion slammed Reynoldsville to drop them from the undefeated ranks 33-6. Poor punting, loose line play, and failure to capitalize on a good passing attack were causes of the stunning defeat. Stanley scored the lone touchdown. We were without the services of stalwart Jack Mancuso.

Brockway Trampled the faltering Bulldogs, 33-6. The only effective play that gained ground regularly was a jump pass from Williams to G. Moore. Stanley again was the only Bulldog to score.

The start of the next game found an underclassman team facing an experienced St. Marys team. When the Dutchmen scored on the first play it looked like another defeat but the green Bulldogs marched upfield 55 yards to score. A pass from Williams to G. Moore set it up another to M. Dennison was good for the t. d. With the varsity back in action at half time the score read 18-7. Gary Moore scored the second and after Jack Mancuso set up the third on a 33 yard run Williams passed to Ellenberger. Next Joe Stanley banged over to climax a 70 yard drive. Jim Spears made a game-saving interception at the end of the game. Two radio stations carried the game.

The classy Bulldogs wrapped up the Class B football championship of Jefferson Co. at Brookville, slamming the Raiders 32-12. The line never looked better and the touchdown rollcall was answered by Mancuso, D. Stefanelli, Spears, Stanley, and Williams. The spirit of the boys was at its peak.

The Bulldogs ended their season in a 6-6 tie with Rimersburg. Scrappy line play by Reynoldsville stalled the determined Union Rams. Jack Mancuso intercepted a Ram pass and ran it back 26 yards. Dick Williams flicked a pass to Joe Stanley for the score.

Although suffering from injuries and a mid-season slump, this year's varsity completed the most successful season enjoyed by RHS for the past fifteen years. Five wins, two ties and two losses stack up a very respectable record.

GRIDIRON PERSONALITIES

JOE STANLEY, Senior, Fullback--One of the greatest backs ever to play for the Bulldogs. A bruising line blocker and a great safety man. An elusive runner with a tricky change of pace along with power and "guts." Played in the All Star Game and made the mythical All District Team.

TOM MOORE, Senior, Tackle--A hard charging tackle who often broke up the opponents' plays. His speed and desire to win made him a great downfield blocker. Showed up well in the All Star Game. He was also selected to the All District Team.

GARY VETRO, Senior, Guard--A great line backer and offensive guard with plenty of scrap. His position on the All District Team is full evidence of his worth.

JIM SPEARS, Senior, Halfback--A speed runner with power to burn. Best on line bucks with which he picked up many a "first and ten." Put in a fine performance in the All Star Game.

JACK MANCUSO, Senior, Halfback--A speed merchant of the Glenn Davis variety. Picked up valuable yardage with his end runs, off tackle slants, and ability to slice through a small hole. Had several tough breaks this season with leg injuries.

JOE STEFANELLI, Senior, Center--One of the best at line backing, and an accurate center on punts. His interceptions were thrilling to watch and inspiring to the team. His crushing tackles set the opposition back constantly. A valuable place kicker.

MARTIN NAIRN, Senior, Tackle--A fine blocker and excellent defensive man. He used his hands effectively and held his ground. Noted for his team spirit and hard play.

BUD WAITE, Senior, End--Although he was plagued with injuries part of the season, Bud always put forth his best efforts while in the game. Noted for his blocking, pass receiving, and crushing tackles.

BURNETT ELLENBERGER, Senior, Halfback--An excellent long passer and punter. His running ability was attributed to his quick starting and powerful drive. He proved himself a capable end also.

TERRY HOOK, Senior, Tackle--A reserve tackle whose defensive work contributed greatly to the team's winning games. A good blocker and pass receiving end.

DUCK LIEDL, Senior, Center--The team relied on Duck's line backing in many tough spots. Excellent at "shooting the gap" to stop end sweeps.

GEORGE KIRK, Senior, End--A defensive lad with a lot of scrap. A very valuable pass receiver in a tough situation.

BOB MARSHALL, Senior, Guard--A reserve guard with plenty of fight and blocking ability, although he was at his best on defense. Noted for: "Why don't you break a leg, Mex?"

GARY MOORE, Junior, End--One of the best blockers and pass receivers ever to play for the Black and Gold. Plenty of team spirit. He was the unanimous choice for end position on the All District Team. Should be the nucleus of next year's team.

DON DENNISON, Junior, Halfback--A powerful, speedy runner who has a great desire to win. His punting and place kicking were a valuable asset to the team, although he was not available most of the season because of injuries.

KEITH HUGHES, Junior, Guard--His scrap and aggressiveness made him a standout on defense. Keith never gave up until the final whistle.

BILL NOGROSKI, Junior, Halfback--A quick starter supplemented by speed, a change of pace, and ability to hit the openings. A valuable safety man. Should go strong next season.

DICK WILLIAMS, Sophomore, Quarterback an accurate passer, tricky runner and deceptive ball handler. His play calling kept the opposition guessing at all times. Greatly improved on defense.

DON STEFANELLI, Sophomore, Halfback--An elusive runner with better than average speed. Always in there with a little "extra" something that gets another yard.

THE COACHES

MR. HARRY CLARKE

Head Coach

MR. FRED PUTNAM

Assistant Coach

The opinion of Mr. Clarke and Mr. Putnam as to the success of the 1951-52 Bulldogs may be somewhat surprising to some people in that the team did not win a league game, but, those who played improved a great deal and should have a championship team in the '51-'52 season. Coach Clarke and Mr. Putnam were satisfied especially with the aggressiveness and spirit the team showed. The players were very eager to play a man-to-man type of defense which Mr. Clarke introduced into the school for the first time. The team executed it very well and will be a lot better next year. The school owes a lot to these Coaches, Mr. Clarke and Mr. Putnam, for the way in which they worked in building up a team for next year and the years to come. The players also are glad to have these two men for their coaches.

CHEERLEADERS

Barbara Kunselman
Head Cheerleader

Barbara Kunselman, Helen Himes, Carmen Campanini, Mitzi Bohren, Mary Spears, Alice Marshall.

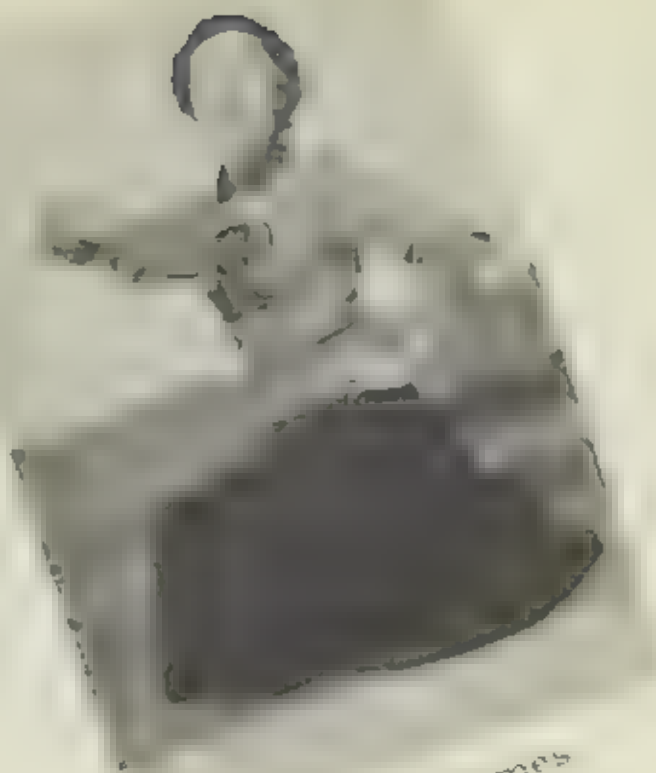

At the beginning of the year we had seven cheerleaders, but to our regret two of the cheerleaders dropped out. This only left five, and they did a fine job of leading our student body in cheers for our football and basketball teams.

The cheerleaders were Barbara Kunselman, Helen Himes, and Alice Marshall, Seniors; Mary Spears and Mitzi Bohren, Juniors. Barbara was their head cheerleader and she did a fine job of training them. They had quite a few new cheers for us and a couple pep songs.

For the last basketball game the Junior High, Junior Varsity and Varsity Cheerleaders put on an exhibition at the half. Each group did two cheers by themselves, which was really very nice. Then they all formed one big 'R' and did the Victory Yell.

The cheerleaders wish to thank Mrs. Kahle and Miss Hall for giving their advice and rendering their services whenever they were needed.

We wish to the Senior cheerleaders, success in the future, and to the Junior cheerleaders another successful year of cheerleading.

Gerry Coates
Head Majorette

Another year goes by and with it three of our majorettes. The graduates are: Gerry Coates, Betty Lou Armagost and Joy Wiles. The remaining majorettes are: Jackie McKillpp, Joy Cathcart, Joyce Hetrick, sophomores; Becky Gertz, Connie Kunselman, Adda Stump and Barbara Ellenberger, freshmen. The girls were under the able direction of Mr. Ryder, sponsored by Miss Whitaker and led by Gerry Coates.

During the past year we have noticed an improvement in these girls. They changed to a snappier type of marching and put on various exhibitions at the football games, among which included an Indian Dance and a Square Dance.

They were honored by marching with the Hope Fire Company during the summer. They marched at various different places including the gala affair at the Clearfield County Fair.

The majorettes would like to extend their many thanks to Miss Whitaker, Mr. Johnson and Mr. Ryder for their guidance throughout the year.

THE RED SPIDER

On December 14 and 15, the Junior Class presented their play, "The Red Spider," which took place in a health resort in the mountains run by Dr. McHarge, his daughter, Valerie, and their capable nurse, Josephine Glover.

The superstitions of the old mountain woman caretaker, Miss Piney, and the colored cook, Mammy Hannah, are soon realized when a patient, Mrs. Stecker, is found to have disappeared. A tense situation is brought about by indications of the presence of the mysterious Red Spider, who has warned them to leave the old house at once or be killed.

The detective, Jack Mayo, and a news-

paper man, Ralph Graves, almost come to blows over the unknown identity of a mountain boy, Tony. Added to these circumstances are the disappearance of Mrs. Stecker's valuable diamond and the peculiar sullenness of Zeb, Miss Piney's "uncle."

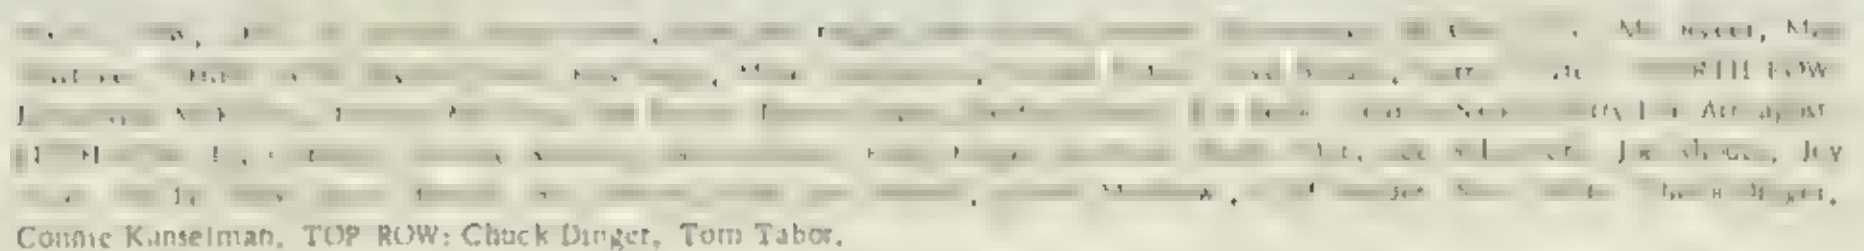

Finally, after a hilarious night of excitement and suspense, the murderer, who turns out to be Zeb, is caught, and all ends well, that is all except for poor Zeb, who is killed at the close of the play.

The Junior Class under the capable direction of Miss Alma Whitaker, deserves an extra large pat on the back for the fine production of this play.

Our New Senior Product Pool is composed of 20 members, five of which are seniors.

The members of the Board are working hard to prepare music for a Spring Festival and Carnival Bazaar, which is to be held at Summerville in April.

With the aid of the Band Aid Club, a group of Band mothers who are helping the Band, we hope to earn enough money to buy some new instruments, music and uniforms in a few years.

The Band has played an important part in banding morals and spiritual values in a healthy manner, and I trust they hope to further the work in future years. We wish them all the luck in the world.

ORCHESTRA

This year our orchestra is under the direction of our new instrumental teacher, James Ryder. We have had a very successful year and we were also glad to welcome our new members this year. Our added instruments are; a violin, a viola, a cello, a double bass, a piano, a drum set, and a tuba. We are both bigger and better next year.

LATIN CLUB I

BE TOLERANT

Since youths are inclined to be more optimistic than adults, I shall try to be somewhat optimistic in my farewell remarks to the graduates of 1951. In the face of war, worry, hardship and worldwide misery with all the gloom and pessimism such conditions hedge about us, I shall call attention to tolerance as our great source of light and hope in the topsy-turvy world of today.

Tolerance is the life blood of liberty, equality and brotherhood. Without tolerance no democratic government could be born or live after its birth. In a free world, individual and social opinions and rights must be respected. To represent and promote great and good things you all can and should claim tolerance, my young friends, is one great and good thing you all can and should claim tolerance, my young friends, is one

GREETINGS

In my greetings to the Class of 1951, I wish you happiness -- the happiness that comes from the satisfaction of work well done; the happiness that comes from gaining new friends; the happiness that comes from sharing your talents and happiness with your classmates.

"He has lost the art of living who cannot gain new friends." "Friendship improves our happiness and abates misery by doubling our joy and dividing our grief. It is not how much we have of material wealth that makes us happy, it is how much we share of ourselves, our service, our talents, our happiness."

May the happiness gained in this way be reflected in all your contacts to such a degree that you may know the real satisfaction of work well done; the joy of gaining new friends and the contentment of knowing that you have made, even in a small way, a worthy contribution to your community, state and nation by giving of yourself.

C. G. Johnson

I do. Regardless of what else you may be through your works and deeds wherever you are and whatever you do, let tolerance shine on all issues, but we can be just and agreeable in dealing with our differences. The tolerance you practice and teach will do more for democracy and freedom than anything else you can do. Do unto others as you would have them do unto you, is the tolerance our Savior taught. In that tolerance rests the freedom of the world.
